St Giles The Gardens Hotel, Kuala Lumpur
 7 & 8 October 2015

About MLCC

The Malaysian Legal and Corporate Conference (MLCC) is a biennial event jointly organised by The Malaysian Current Law Journal (CLJ) and Bar Council Malaysia.

This event, themed 'Changes & Challenges: The Corporate Perspective', brings to the fore recent legal and corporate developments within the region and explores the effect of these on both sides of the divide.

The MLCC provides a dynamic and provocative platform for discourse on emerging issues that are dominating current events, and offers the perfect opportunity for all stakeholders to hear from thought-leaders in the industry.

The Conference offers a unique opportunity for senior executives from different industries to interact with their peers, network and to exchange ideas on local and global issues affecting business, competitiveness, and the economy. Corporate and legal executives will discover strategies to gain a competitive advantage through innovative initiatives highlighted at this event.

With this in mind, the organisers have brought together a panel of speakers who have notable experience in their respective fields to share their knowledge and insights in this two-day event. Our forum panellists and experienced facilitators will contribute to a stimulating experience for all who are in attendance.
